

VeroVision[®]

THREAT DETECTOR

DETECT
EXPLOSIVES | NARCOTICS
FROM A SAFE DISTANCE

Using Your Resources or Ours

Detect **EXPLOSIVE RESIDUE** and **BULK NARCOTIC THREATS** from a safe distance

As a safety and security professional, you face a variety of threats in your day-to-day activities and the risks you face continue to grow.

The facts:

- ◆ VBIEDs are a growing threat with attacks targeting concentrations of civilians occurring at a rate of hundreds per month¹
- ◆ Law Enforcement-reported encounters testing positive for substances such as heroin, cocaine, etc. are a concern²
- ◆ Encountering any unknown substances at a crime scene presents risk of exposure to dangerous materials³

We develop **SOLUTIONS** to assist you in keeping yourself, and the people and property you commit to protect, **SAFE**.

Implemented as part of a layered security approach, the unique technology of the VeroVision Threat Detector can alert you to a threat faster and further away from the target, allowing more time to consider options and responses before engaging additional resources.

- ◆ Non-contact standoff distance*
- ◆ Easy-to-use interface
- ◆ Quantity detections as small as microgram*
- ◆ Flexible configurations
- ◆ Fast screening and detection in approximately 10 seconds
- ◆ Adaptable library
- ◆ Safe, passive operation without lasers or chemical agents

VeroVision[®]

THREAT DETECTOR

CAN PERFORM IN
A VARIETY OF
APPLICATIONS TO
SUPPORT
DETECTION OF
POTENTIAL THREATS

Event Security

Scan questionable or unattended baggage, delivery and passenger vehicles, and other suspicious, stationary objects.

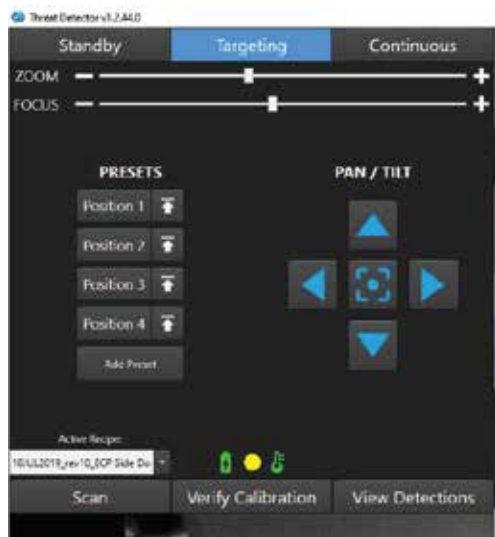

Security Checkpoints

Scan vehicles entering fixed or temporary entry points.

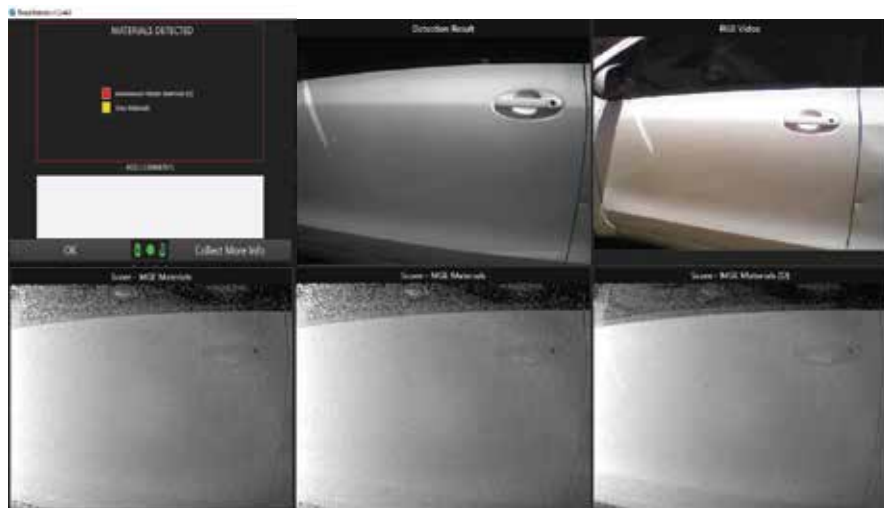

Crime Scenes

Evaluate crime scenes for potential risks without coming into contact with the material.

One click detection alerts to potential threats within the scene.

Detections are displayed in a **simple interface** that allows the user to generate a report.

Don't let resource and budget constraints limit your options. We now offer VeroVision Vehicle Screening Service to bring this added layer of security to your events. For more information or a custom quote, please visit:
